I am a real rags to riches story and I pride myself on the ability to spread joy, love, and the occasional mud wherever I go.

Oswald Companies

2011 - 2016

At this stage of my career, I was responsible for designing and implementing a long-distance team morale program. Due to a restrictive human policy on having pets at work, I launched a team spirit boosting program, mostly involving outfits.

Before my mom adopted me, I was a longtime advocate for the best possible living situation for myself and my friends. Life doesn't always go as planned, but with patience and cuteness, anyone can have their dream home!
